

SMS – FIRST CHOICE IN REPLACEMENT HEADS

ORIGINAL RELIABILITY

With over 35 years of experience in cylinder heads, the philosophy at **AMC** is simple – to provide a replacement product which is at least as good, or better than the original.

Using only virgin aluminium and alloy mixtures, **AMC** provide a long-life product well suited to cope with any rigorous diesel applications. Additionally, AMC use the best quality of materials in component parts such as valve seats, valve guides, pre-combustion chambers, camshafts, plugs, bolts etc.

Selected by several automotive engine manufacturers for O.E. supply, **AMC** possess all quality certification standards according to ISO9001:2000 and ISO/TS 16949:2002.

The winning combination of **AMC** and leading Japanese O.E. gasket sets from Cherryand Stone provides an unbeatable package for quality cylinder head replacement.

COMPETITIVE PRICING

Like all O.E. quality replacement parts in the SMS range, **AMC** cylinder heads provide superior value for money when compared with cheaper substitutes.

2 YEAR WARRANTY

Our confidence in **AMC** cylinder heads is backed by our comprehensive 2 year warranty against failure due to product deficiency.
